## Low Profile Pallet Stretch Wrapper

The *Revolution*™ uses a "Quick Thread" simplified stretch film carriage.

Option of a custom fit all steel ramp for pallet jack loading.

The *Revolution*™ uses 16 extra wide support rollers and heavy-duty chain drive.

### *Revolution*™

Quick Pak is proud to introduce our new value priced semi automatic stretch wrapper. This price competitive workhorse will give you years of trouble free operation. It will alleviate the problems associated with poorly hand wrapped pallets.

The *Revolution*™ represents a totally advanced design with reliable technology in a sleek efficient frame to give you a rugged machine of unmatched quality.

The *Revolution*™ was designed to convert the hand wrap user over to wrapping pallets by machine.
